

INDEPENDENT AUDITOR'S REPORT

On the special purpose financial information of the Romaversitas Foundation

Opinion

We have audited the accompanying financial statements of Romaversitas Foundation (1086 Budapest Dankó str. 15., registration number: 01-01-0008372) (hereinafter referred to as "the Foundation") which comprise the balance sheet as of 31 December 2020 (in which the balance sheet total is THUF 21.622, the loss after tax for the year is THUF -3.996) the related income statement for the year then ended, and supplementary notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying annual financial statements give a true and fair view of the financial position of the Foundation as of 31 December 2020, and of its financial performance for the year then ended in accordance with the provisions of Act C of 2000 on Accounting ("Accounting Act").

Basis for opinion

We conducted our audit in accordance with Hungarian National Standards on Auditing ("HNSA") and with applicable laws and regulations in force in Hungary. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Annual Financial Statements" section of our report.

We are independent of the Foundation in accordance with the applicable laws of Hungary, with the Hungarian Chamber of Auditors' Rules on ethics and professional conduct of auditors and on disciplinary process and, as well as with respect to issues not covered by these Rules, with the Code of Ethics for Professional Accountants issued by the International Ethics Standards Board for Accountants (the IESBA Code) and we also comply with further ethical requirements set out in these.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information: Public Benefit Status Report of the Foundation

Management is responsible for the other information. The other information comprises the information included in the 2020 Public Benefit Status Report of the Foundation, but does not include the simplified annual financial statements and our auditors' report thereon. Our opinion on the simplified annual financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the simplified annual financial statements, our responsibility is to read the the other information and, in doing so, consider whether the other information is materially inconsistent with the simplified annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the annual financial statements in accordance with the Act on Accounting, and for such internal control as management determines is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, management is responsible for assessing the Company's ability to continue as a going concern and disclosing, as applicable, matters related to going concern; and management is responsible for preparing the annual financial statements on a going concern basis. Management shall apply the going concern basis of accounting unless the use of going concern principle is precluded by any provision of other applicable laws or regulations, or if any fact or circumstance prevails, which precludes the Company to continue as a going concern.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Hungarian National Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with Hungarian National Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis in the preparation of the annual financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies, if any, in internal control that we identify during our audit.
